# A Super-value Occasion! Record-Making Sale of Beautiful Fall Suits

Made to Retail Up to \$69.50

# \$34.75

**Fur-Trimmed Suits and Plain But Rich Tailors, Developed of Finest Materials in the Newest Styles—at an Extraordinarily Low Price**

Tomorrow we present to the women of Washington the greatest sale of new Fall Suits ever held at the beginning of a season. A slowing-up of the demand for high-grade suits caused by the extremely high prices prevailing brought a prominent New York suit manufacturer to the necessity of unloading his stock at a great sacrifice. We purchased 150 of his finest suits way under the wholesale cost, and tomorrow we share the advantages with you.

You'll see suits of equal quality selling elsewhere this season at \$50.00 to \$69.50—some even higher.

The materials are of exceptionally fine quality and include:

**Chamoisine, Tricotine, Chiffon Broadcloth, Finest Serges, Suede Velour, Etc.**

Every suit, by its finish, quality and style, proclaims its high-class origin and careful workmanship. There are suits with rich trimmings of nutria, seal and natural Australian opossum; some with large collars of fur and others with smart choker fur collars with bands of fur at bottom of coat. Smart tailors and silhouettes, in long length coats, chic trimmed, pleated and semi-tailored styles, in several of the season's accepted modes are also represented.

Colors of regimental blue, moose, reindeer, russet, navy, black and brick. Sizes 16 to 44, for misses and women.

This is really a wonderful opportunity and we advise you to come early, as such values will not last long.

Goldenberg's—Second Floor.
